

Fire Emergency Services

Fire Emergency Services - Gwinnett County Fire and Emergency Services has achieved an ISO rating of 2/2X effective August 1, 2017. The rating, known as the Public Protection Classification, is a two-point improvement since the previous survey conducted by the Insurance Services Office. Fire and Emergency Services Our diverse and beautiful County provides residents and visitors many opportunities to live and recreate along our beautiful coastline, on our many rivers and lakes, hike and camp in the thousands of forest acres, and enjoy our cities both large and small. As part of the Department of Municipal Affairs and Environment, the Fire, Emergency and Corporate Services Branch is tasked with the implementation of an emergency management strategy designed to develop and maintain a modern and robust emergency management system in the province, in collaboration with agency partners and stakeholders, in planning against, preparing for, responding to and ... We exist to provide superior fire, rescue, and emergency services to the citizens and visitors of Cobb County in a proficient, professional, and compassionate manner. We continuously promote life safety within the county by practicing prevention, planning, education, and training.
